

CS516: Project Proposal

Team: Minazon

- **Component Assignment:**

Users Guru: Minda Zhu (mz203)
Products Guru: Tianhao Li (tl301)
Sellers Guru: Qin He (qh58)
Social Guru: Mingxuan Wang (mw466)

In general, we plan to adhere to the outline given. Meanwhile, we attempt to include the following additional features.

- **Possible Additional Features:**

Users:

1. Visualize history of balances .etc

Products:

1. Enable filtering/sorting a list of products.
2. Create a set of “tags” for labeling products.
3. Divide the cart into “in cart” and “saved for later.”
4. Implement promotional coupon codes for certain items.

Sellers:

1. Analytics about buyers .etc

Social:

1. Submit images for reviews .etc

Putting Them Together:

1. Recommender System
